“Special Animals Helping Special People”

Since 2004, Pet Partners® of Havasu volunteer teams have been enriching the lives of the people we visit by sharing the unconditional love of our pets. These special animals heal, calm, socialize, motivate, and bring comfort and smiles to both young and old, improving health, independence, and quality of life.

Please see the enclosed brochure for more information about what we do for our community.

Pet Partners® of Havasu is excited to announce that we have recently been approved by the IRS as a 501(c) (3) non-profit, Tax ID# 47-3766630. With the financial support of our community and people like you, we can continue to grow and expand our programs and services we provide to people of all ages.

Because Pet Partners® of Havasu is comprised solely of volunteers, all donations go directly to the programs and services we provide. Our operating expenses include printing bookmarks and business cards for our animals, brochures for the public, and continuing education materials for our handlers; purchasing books for our PAWS for Reading Program; holding required workshops and evaluations twice yearly; and insurance coverage for special events.

Additional expenses include:

\$22.00 ~ annual handler TB test, required for visiting facilities

\$65.00 ~ handler background check, for AZ DPS Level One Fingerprint Clearance

\$ 6.00 ~ per journal for students in our WAGS Program.

If you would like to sponsor a WAGS group, (*10 students per group*), your name will be included on the students' journals.

Thank you for your generous donation of _____ . Your tax deductible donation will help us maintain our high standards of training as we continue to expand and add new programs to support our community's needs. Please make checks payable to Pet Partners Havasu.
