

## VOLUNTEER WITH YOUR DOG OR CAT

*You do not need an animal to  
become a Pet Partner*

Take the first step towards becoming a registered Pet Partners® volunteer team by attending a Pet Partners® Orientation.

Learn the skills needed to visit safely with your animal in hospitals, nursing homes, classrooms, and other facilities by attending a Team Training Workshop. Successful completion of the Handler Training course is required for registration as a Pet Partners team.

***Orientation & Workshop are for handlers only.***

Topics include:

- How to tell if both you and your animal are a good fit for the Pet Partners program.
- Preparing yourself and your animal for visits.
- Identifying and decreasing stress in your animal.
- Animal health and safety.
- Special needs of specific client groups.
- How to interact with different types of people.
- Facility health and safety codes.
- Patient confidentiality.

*If you are unable to attend a training course you can also complete online study of the Pet Partners Handler Training Course which can be purchased from our website [www.petpartners.org/onlinecourses](http://www.petpartners.org/onlinecourses) for \$70.00.*

Visit the **Pet Partners® of Havasu** website to see the variety of volunteer opportunities we offer.
